SWIM BUOY & ACCESSORIES

SWIM BUOY by RESTUBE

FOR INCREASED VISIBILITY AND BUOYANCY IN OPEN WATER, WHILE ALSO SERVING AS A DRY BAG FOR WATER SPORTS ENTHUSIASTS.

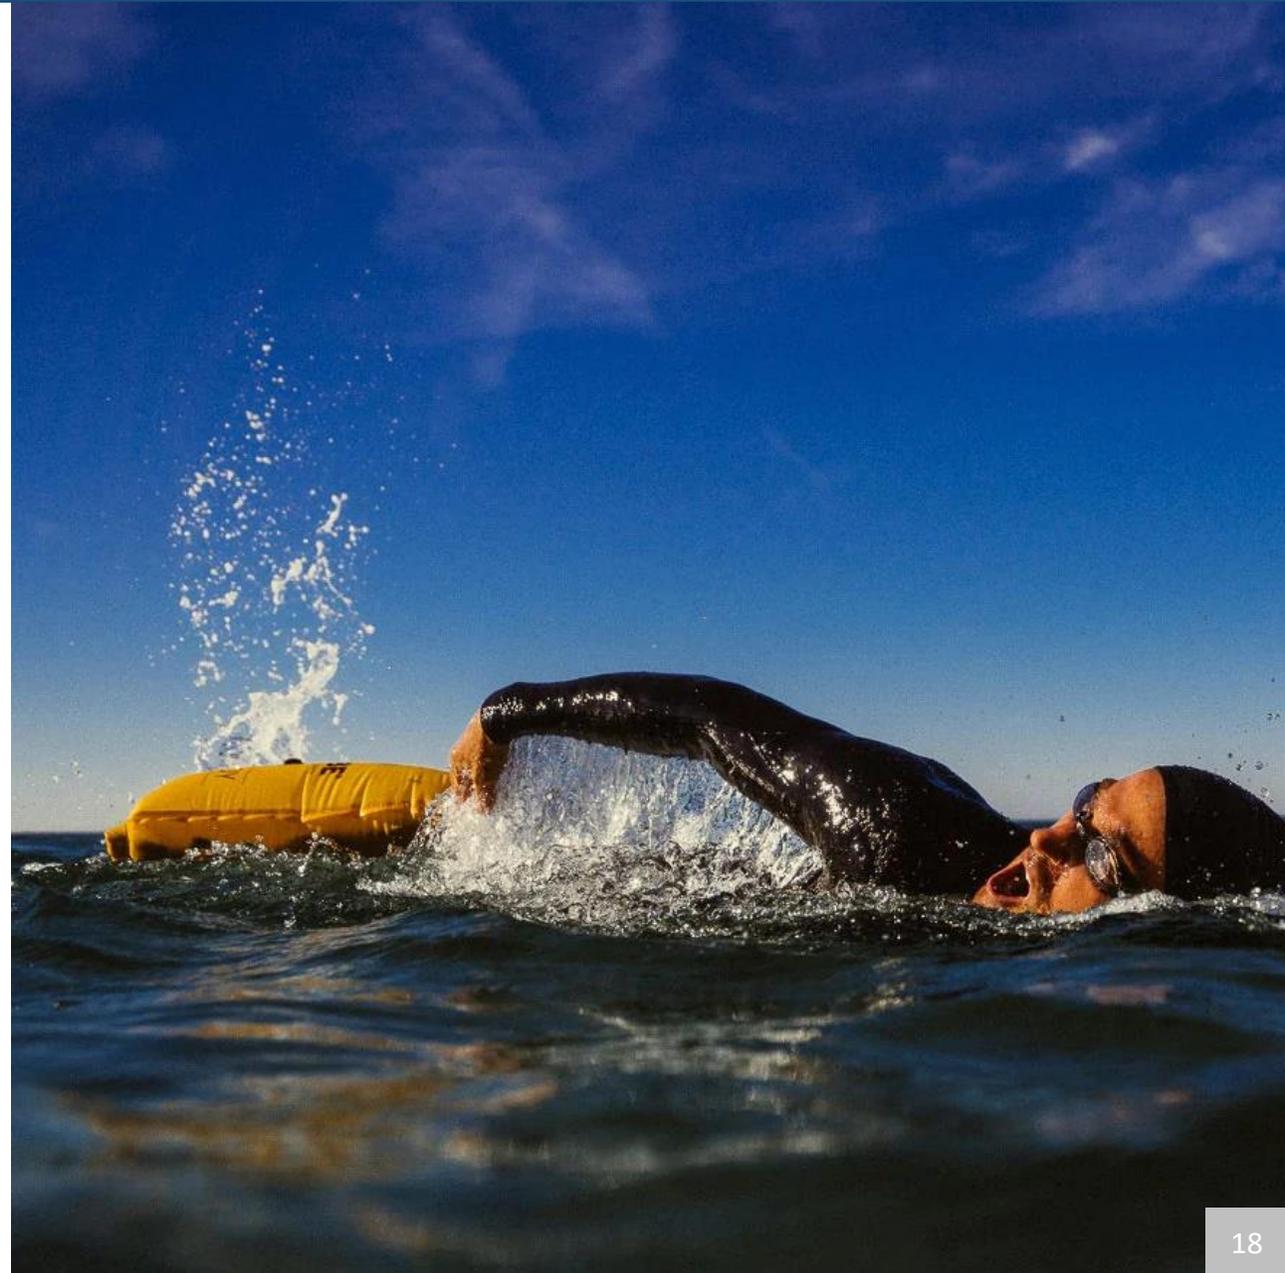

RESTUBE's inflatable swim buoy not only enhances safety, providing readily available visibility and buoyancy when required, but it also doubles as a dry bag, allowing you to securely store your personal items and keep them close at all times.

- Easy inflation with your mouth
- Air chamber with separate waterproof storage compartment, to keep personal items like mobile or keys dry
- High quality TPU material, PVC free
- Predetermined braking point (max. 15kg)
- RESTUBE READY patch to attach various add-ons like a smartphone case or an action cam

- Storage volume: 12,5l (for shoes and clothes)
- Buoyancy: 125N (incl. storage space)
- Belt length: 36-67cm

Size: 76 x 35 cm
Weight: 210 g

WATERPROOF SMARTPHONE CASE

PROTECT AND USE YOUR SMARTPHONE WHILE SWIMMING

Whether you're lounging on the beach or engaged in an intense swimming workout, you can still operate your smartphone thanks to the touchscreen-compatible case. Attach the case directly to your swim buoy, and you'll have your phone within easy reach while swimming.

- 100% waterproof up to a depth of over 30m (fulfills IPX8 standard)
- 100% sand-proof
- Patented GooperR technology
- Touch capable – easy usage
- For all popular smartphone models up to a size of 17 cm (6,8 inches)
- Easily connected to the swim buoy with the RESTUBE READY connector

Size: 20,5 x 15 x 1 cm

Weight: 65 g

BACKPACK STRAPS

TURN YOUR SWIM BUOY INTO A BACKPACK

Utilizing three clasps attached to designated eyelets, you can easily transform the swim buoy into a comfortable backpack. This feature enables you to securely stow your belongings in the swim buoy's dry bag, making it a versatile choice for transitioning to and from the water or as a waterproof backpack in rainy conditions.

- Lightly padded straps for enhanced comfort
- Chest strap for additional comfort
- Width: 7 cm
- Adjustable strap length: 50-80 cm
- While in the water, store the shoulder strap in the swim buoy's dry bag

Weight: 120 g

RESTUBE READY CAM CONNECTOR

THE CONNECTOR FOR EVERY ACTION CAM

Hook up your action camera and shoot underwater while you swim, capturing fantastic water shots. Easily secure the connector to the RESTUBE READY patch on your RESTUBE swim buoy, and then attach your camera.

- For analyzing your training progress or just simply taking amazing shots in the water
- Diverse application possibilities, e.g.
 - Open water swimming
 - Triathlon
 - Snorkeling
 - Ice swimming
 - And more ...
- Compatibel with swim buoy by RESTUBE
- Compatibel with most action cams, like GoPro, AKASO Action Cam, Insta360 ONE, DJI Osmo Action...

(camera not included)

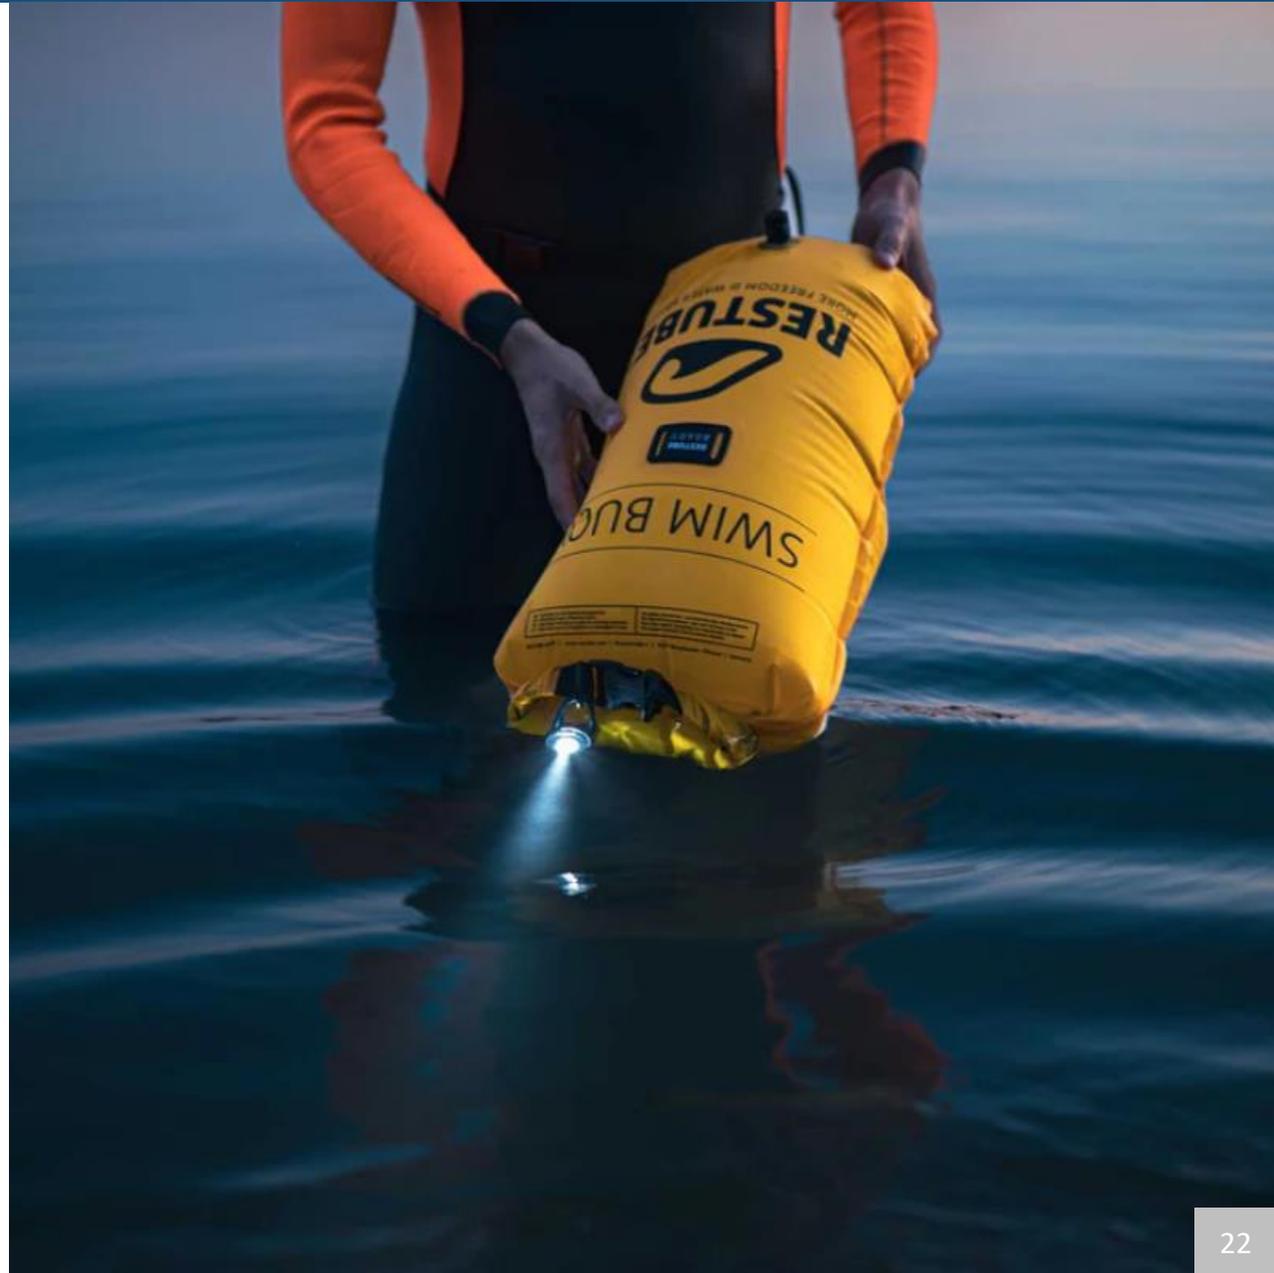

WATERPROOF LED-LIGHT

VISIBILITY = SAFETY

Enhance your safety with improved visibility! Use the practical clipper to attach the LED light to your swim buoy by RESTUBE, ensuring you can be easily spotted by others, even in low-light conditions or darkness.

- Long lifespan: of up to 250 hours
- Waterproof: up to 50m depth
- Highly visible from a distance of up to 5 km
- Suitable for tough conditions: works in temperatures from -40°C to +50°C
- Steady or flashing light: easily switch with the touch of a button
- Compatible with all Restube products, including swim buoy and dry bags by RESTUBE
- Includes CR2032 battery

EMERGENCY WHISTLE

CLEARLY AUDIBLE EVEN FROM A DISTANCE – ROBUST AND LOUD EMERGENCY WHISTLE

The RESTUBE emergency whistle is a valuable tool for attracting attention during emergencies. It emits a powerful, loud acoustic signal that remains audible even at significant distances.

- Made of durable PA6-plastic
- Waterproof and functional in water
- Two-tone design, following DIN ISO 12402-8 frequencies, ideal for water activities
- Includes a cord for convenient attachment to your equipment, such as a swim buoy or keychain
- Available in 11 unique color combinations
- **Please note:** Restube active, extreme, and lifeguard models already include the whistle within the trigger handle

Package size: 6 x 4,5 x 1,5 cm

DRYBAGS by RESTUBE

IDEAL FOR WATER SPORTS AND OTHER OUTDOOR ACTIVITIES

This waterproof bag allows you to transport your belongings to any location while keeping them completely dry. Simply place all your essentials inside the dry bag and seal it securely using the practical roll system.

RESTUBE INITIATIVES

RESTUBE RENTAL SERVICE

RENTAL RESTUBES FOR WATER SPORT EVENTS AND RENTAL STATIONS

The RESTUBE RENTAL SERVICE provides participants with mandatory Restube equipment to enhance safety standards for both participants and event organizers. Over 80 water sports schools and rental stations trust Restube as an essential safety tool.

For further details, please contact us.

ENHANCING CHILDREN'S SWIMMING SKILLS

“We all want to have a good and safe time around the water! However, in recent years the number of people unable to swim is growing.

With our initiative, we are helping to create more awareness for water safety and to improve swimming skills and open water competence.”
